

Order Percentages for General Public

This breakdown is for customers that know what overall quantity to order but do not have a size breakdown because they are ordering for a giveaway, tradeshow, etc...

*******DISCLAIMER*******

This breakdown is NOT guaranteed by SanMar. This is only to be used as a GENERAL guideline. The customer should adjust the percentages based on the demographic that they are ordering for.

S - 5%

M- 20%

L - 30%

XL- 30%

2xl - 10%

3xl - 2.5% (5% if not ordering 4xl)

4xl - 2.5%

If your Customer is splitting between Men's and Ladies sizes it will be split 80% Men's and 20% Ladies
